1. Brand Information & Business Positioning

Al-Ameen Extra Concept Ventures is an established retail enterprise based in Abuja, Nigeria. The company specializes in the retail and bulk distribution of household essentials, food provisions, cleaning supplies, kitchenware, and everyday home goods. A significant portion of its inventory is directly imported, enabling the store to maintain superior product diversity and competitive value.

Core Business Profile

- **Official Business Name:** Al-Ameen Extra Concept Ventures
- **Business Type:** General merchandise retail store (household essentials, provisions, kitchen items, and daily goods).
- **Sales Model:** Primarily retail sales to households, with structured bulk purchasing options available for commercial buyers.
- **Supply Chain Strategy:** Direct importer and retail distributor, ensuring dependable supply chains and consistent product quality.
- **Approved Taglines:** Quality Products. Everyday Needs (Secondary: Your Trusted Store / Quality Products, Better Living).

Brand Positioning Pillars

The visual identity and operational voice of Al-Ameen Extra Concept Ventures are anchored on four fundamental strategic pillars:

- **1. Trust & Reliability —** Clear communication, authentic product offerings, transparent transactions, and dependable customer support.
- **2. Quality Assurance —** High standards in product selection, ensuring imported and domestic goods meet household expectations.
- **3. Everyday Convenience —** Positioned as a convenient, well-stocked one-stop shopping destination for everyday domestic needs.
- **4. Professional Excellence —** Consistent visual identity, structured corporate materials, and polished employee presentation.

2. About the Company

Al-Ameen Extra Concept Ventures has grown into a trusted retail destination catering to the diverse everyday needs of Nigerian households and businesses. By combining direct importation with attentive local retail service, the store bridges the gap between premium global product standards and daily local affordability.

Mission Statement

To make everyday household living more convenient and affordable by delivering a broad selection of high-quality provisions, kitchen essentials, and domestic goods through reliable retail and bulk services.

Vision Statement

To solidify our position as a leading household retail brand in Abuja and across Nigeria, recognized for uncompromised product variety, supply chain integrity, and customer-first service excellence.

Target Market Segments

- **Primary Retail Market:** Families and individuals seeking reliable daily provisions, kitchenware, and home cleaning supplies.
- **Commercial Bulk Market:** Local retail vendors, caterers, institutions, and small businesses purchasing in larger volume quantities.

3. Typography System

Typography plays a critical role in establishing brand authority, readability, and visual consistency. The typography system for Al-Ameen Extra Concept Ventures relies on two highly versatile, modern typefaces: Montserrat and Open Sans.

Primary Typeface: Montserrat

Montserrat is used for all primary document titles, section headers, business labels, and high-impact display copy. Its clean geometric structure communicates modernity, structure, and professional strength.

- **Montserrat Bold / SemiBold —** Main titles, section headings, business name callouts, and major cover elements (20 pt – 36 pt).
- **Montserrat Medium —** Subheadings, category tags, and prominent UI/print labels (14 pt – 18 pt).

Secondary Typeface: Open Sans

Open Sans is the designated body typeface. It delivers exceptional legibility across both printed packaging, business cards, corporate documents, and digital media.

- **Open Sans Regular —** Standard body paragraphs, store descriptions, contact details, and explanatory notes (12 pt – 13 pt).
- **Open Sans SemiBold —** Sub-labels, emphasis points within text, and card metadata headers (12 pt – 14 pt).

Element	Typeface	Weight / Style	Target Size
Main Document Title	Montserrat	Bold	28 – 36 pt
Section Headings (H1)	Montserrat	Bold	20 – 24 pt
Subheadings (H2)	Montserrat	SemiBold	15 – 18 pt
Body Paragraphs & Notes	Open Sans	Regular / SemiBold	12 – 13 pt

4. Exact Brand Colour Palette

The official color palette reflects trust, natural quality, and premium retail presentation. Deep Green and Primary Green form the foundation of the identity, Pure White ensures sharp visual contrast, and Warm Gold serves as an accent color for borders, swooshes, and highlights.

Color Name	HEX Code	Sample	Primary Application & Usage
Deep Green	#06402A		Premium dark backgrounds, circular logo emblem fill, and high-contrast structural layouts.
Primary Green	#0B6B3A		Main brand color, primary headings, prominent graphic shapes, and core brand elements.
Light Green	#2E9E4F		Secondary accents, active graphic highlights, and lighter green background touches.
Pure White	#FFFFFF		Logo lettering, icon graphics, clean background space, and crisp layout text.
Warm Gold	#D4AF37		Accent swooshes, circular borders, fine line details, and premium badge trims.

Colour Application Rules

- **Dominance:** Green must remain the dominant color across all store collateral, uniforms, and signage.
- **Gold Restraint:** Warm Gold is exclusively an accent line and border color; it should never exceed 15% of total visual surface area.
- **Contrast & Accessibility:** Maintain high contrast ratio (White text on Deep Green / Deep Green text on White) for optimal legibility.

5. Main Logo & Approved Icon System

The approved logo system combines a circular emblem structure, a stylized 'A' integrated with a natural leaf, a sweeping gold accent line, and clear typographic hierarchy. Below is the complete approved logo system from the master artwork.

Main Circular Logo (Primary Mark)

Deep Green circular emblem with gold border ring, white 'A' & leaf symbol, gold swoosh, and full business name with product descriptor.
